Alexandria, VA 22314

Sir:

A Notification of Missing Requirements under 35 U.S.C. 371 dated February 16, 2007 contains fees calculated in error. The Notice indicates that the specification and drawings submitted electronically totaled 126 pages and, therefore, the application is subject to the application size fee.

Under 37 C.F.R. §1.52 (f)(2), applications submitted electronically receive a twenty-five percent discount when determining page count for the application size fee. Therefore, if the application totals 126 pages, after applying said discount the application size would be reduced to 95 pages, which is under the 100 page limit. Therefore, it is

believed the Application Size Fee has been calculated in error and is therefore not enclosed.

In completing the above-identified application, attached hereto are:

1. Credit Card Payment via RAM in the amount of \$130.00;
2. Executed Declaration; and
3. English Translation of the IPRP.

The fees required in this application are calculated as follows:

A.	Surcharge (large entity)	\$130.00
	<b>TOTAL ENCLOSED</b>	<b>\$130.00</b>

Serial No. 10/595,542  
Atty Dkt. No. YOSHID0024

The Commissioner is hereby requested and authorized to charge any additional fees under 37 CFR 1.16 and 1.17 (except the Issue Fee) which may be required now or hereafter, or credit any overpayment to Deposit Account No. 50-1281 under an Order Number corresponding to the above-noted Attorney Docket Number.

Respectfully submitted,

GRiffin & Szipl, PC
